

Jesus Christ, What Sacrifice

© Mike Kerry 2-Apr-2026

Chorus:

**Jesus Christ - what sacrifice!
You laid down your precious life.
Jesus Christ, God's holy lamb
Because of you I'm what I am -
Born anew, filled with you
By your Spirit for this time
Jesus Christ, through sacrifice
I am yours and you are mine.**

Verse 1

**The air turned cold, the sky turned black
The temple veil tore down the back
Three hours of darkness, then the cry
"Now it is finished" — we wonder why?
*It was for us.***

Verse 2

**But Sunday broke with no sealed stone
An angel sat where death had flown
The grave clothes folded, left behind
When death unwound itself to find
*That you were gone.***

Verse 3

**So take my morning, take my night
My doubting spirit, failing sight
In broken bread and spilling wine —
Your blood and body give me life.
*It's all from you.***
